

310-D9 310-9 - Post Bracket Screw - Series 9000 (Aluminum Dark Bronze)

The Post Bracket Screw is used to connect a Top Bracket or Bottom Bracket (9000EB, 9000HSB, 9000VSB) to a receiver post (9000/36/F, 9000/42/F).

This screw 310-D9 has a head painted in a dark bronze finish.
