

51DB-PRP36S/5 3642S - Stair Picket Rail Panels (Aluminum Dark Bronze, 36", 5FT)

This 5ft long Stair Picket Rail Panel is designed for 36" high railing and it has ¾" square pickets that are spaced 3-3/4" apart to pacify the 4" sphere rule. This panel has a dark bronze painted finish.

The panel is designed to be supported/held in place by our 2-1/2" square aluminum receiver post - see item group 9000/36/F. Use 9000VSB vertical swivel brackets to connect the panel to the post.

Consult local building code for specific requirements in your area.

Call customer service for specific project take-offs and lead time information. Some items are in stock and can ship in 24-48 hours.
