

00-404/2 404 - Floor Mount Footrail Bracket (Polished Brass, 2" OD (0.05" Wall))

Architectural hardware provides a unique breadth of decorative hardware brackets for mounting metal railings in all kinds of settings. And, like your handrail, footrail, stair railing, kitchen rail system or other railing, brackets may be available in a variety of finishes in addition to traditional brass fittings, including white, stainless steel. All brackets are supplied with necessary hardware for proper installation.

Looking for a floor mount bracket in stainless steel? Consider item 406 Contemporary Bracket.

Note:

Fittings are supplied with self-drilling, self-tapping hardware.

Maximum spacing between brackets is 4 feet.

Consult local codes for rail height and other requirements.
