

**LB-26BK-8150A** 8150A - Lido Shelf & Rod Bracket (Black Powder Coat Steel)

Our premium closet brackets give dual support for both closet rods and shelving. Made from the highest quality metals and hand polished for a superior finish, they feature a set-screw that firmly locks and holds the closet rod into place (except for the white bracket).

The bracket fits shelving up to 12" deep, and supports our [Premium Closet Rods](#) as well as other rods up to 1-1/2" in diameter. For shelving and rod support we recommend the use of a bracket every 4 feet.

Available in 5 premium finishes.

NOTE: Mounting hardware is not included with the brackets.
