

CR6235 CR6200 - 1/8" Cable Rail - Metal Posts (35FT)

1/8" Standard Assemblies are the most popular and cost effective solution to your cable railing needs; perfect for all residential and light commercial projects.

Each assembly includes the selected length of 1/8" diameter type 316 stainless steel cable with one pre-attached Threaded Terminal fitting, one Quick-Connect® SS fitting, two stainless steel Flat Washers (or two nylon Flat Washers for metal posts) and one stainless steel Snug-Grip® washer nut.

End caps are not included and have to be ordered separately, they are sold as a single item, individually.

The Standard 6200 Series assemblies have a shorter Threaded Terminal (4-1/4" long) for attaching to slender metal posts.
