

CR6735 CR6700 - 3/16" Cable Rail - Metal Posts (35FT)

3/16" Standard Assemblies are an extra durable option primarily for commercial projects but may also be installed in residential settings. Can be used on either wood or metal railing frames.

Each assembly includes the selected length of 3/16" diameter type 316 stainless steel cable with one pre-attached Threaded Terminal fitting, one Quick-Connect® SS fitting, two stainless steel Flat Washers (or two nylon Flat Washers for metal posts) and one stainless steel Snug-Grip® washer nut.

End caps are not included and have to be ordered separately, they are sold as a single item, individually.

The Standard 6700 Series assemblies have a shorter Threaded Terminal (4-1/4" long) for attaching to slender metal posts.
