

**49-U424/42/F** U424 - Floor Mount Undrilled Post With Welded Flange and Canopy Cover (Satin Stainless Steel 316, 42")

This prefabricated “undrilled” post is made of 316 grade stainless steel, has a floor flange mounted on the bottom, and comes with a decorative canopy for the floor flange. It is designed to be a template for a broad variety of railing post configurations.

- Select from several post-top saddle options. Saddles can be attached using Lido Weld (LB-00201) or by welding on-site.
- Add glass grips to the post
- Drill holes for cables
- Add crossbar holders

Order mounting hardware separately.

**Material Care:** Clean with stainless steel cleaner and protectant, item# CAE-ZCleanKIT.

Order tube cutter GT126 separately when needing to cut the post shorter.

Consult local building codes for rail height, wall offset and other requirements.
