

CR3370 Snug-Grip® Washer Nuts (316 Stainless Steel) 1/4-20RH

- Option for securing Threaded Terminal fittings to posts
- It's a washer, retaining ring, and lock nut wrapped into one fitting
- Cable tension is adjusted by spinning the nut, and special Snug-Grip® threads help prevent loosening
- The raised lip allows for easy snap-on attachment of Colored and Stainless End Caps
- 1/4-20RH
