

CR3371 Snug-Grip® Washer Nuts (316 Stainless Steel) 5/16-24RH

- Option for securing Threaded Terminal fittings to posts
- It's a washer, retaining ring, and lock nut wrapped into one fitting
- Cable tension is adjusted by spinning the nut, and special Snug-Grip® threads help prevent loosening
- The raised lip allows for easy snap-on attachment of Colored and Stainless End Caps
- 5/16-24RH
